**Data Inclusion**

Note that this data is only as accurate as the [process used to collect it](#). To appear in this list, a contribution must: (1) have a related bug, (2) include a *patch* type attachment, and (3) bear the *contributed* keyword.

For older bugs that do not follow the above convention, you can also tag a contribution by entering a `[contrib email="..."]` comment in a bug, or add some *Additional IP* [like this](#).

If you see an omission and cannot correct it yourself, [please report it](#).
