

# STP Release Update

- Change to Service Creation component delivery elements
- Service Creation contains

# STP Release Update

- Change in plan is to deliver just the *frameworks* elements in Europa

# STP Release Update

- Requirement for this change
  - *Extensions refer to third-party elements*
  - *Elements not 100% IP approved*
  - *Value in Frameworks themselves*
  - *Follow up with Extensions after Europa*
- Planned change only affects Service Creation sub-project
